Easy Business Networking: We bring you quickly and efficiently into conversation!

The aim of the matchmaking is to provide an additional platform to intensify contacts between visitors and exhibitors at the BioGasWorld, SolarEnergy and bautech fairs. All completed forms will be placed at the matchmaking booth on special advertising panels and can be viewed by all visitors and exhibitors in hall 7.2b, booth B47.

Your benefits:

- possibility of direct and determined contact with potential business partners
- growth of the degree of acquaintance for your business through cross-sector participation
- high amount of fair visitors due to information campaigns before the fair
- increase of your fair's hall visitors owed to the presentation of your company's profile at the matchmaking booth
- neutral place for initial contacts with potential partners

Registration forms can be sent before the show **VIA FAX / E-MAIL** or brought directly to us to the Cooperation Forum booth.
